My self and Jacques Rivet went to Trout Point Lodge in Kemprille arriving at 6:25 P.M. We went into the lodge and on the counter of the front desk area was a sign which read if you need assistance please come down the stairs. We went down with Jacques first opening a door. He turned to his right so there was a door open. He stuck his head inside and said hi Vaughn which he said yes. At this point I went inside and there was Vaughn working in this area which appeared to be the kitchen. I laid the papers on the counter while he was saying get out of my kitchen, get out of my kitchen. We then left with Vaughn behind wanting to know my name and followed up to the van to take down the plate number. He said that I associated a question the R.C.M.P. were looking for me. Vaughn was trying to write the number down so I offered him a pen which he said he did not want my pen. We then left.
